

Three horizontal blue lines with orange dots at their starting points, extending from the right edge of the page towards the left.

Skopje, 25.05.2020

Subject: Letter of Acceptance and Invitation

Dear Turhan Can Kargin ,

it is our pleasure to inform you that your abstract “High Power Efficiency Design Approach of a LLC Resonant Converter for UPS Battery Charger Application and Battery Charge-Discharge Regression Model ” has been reviewed by the scientific committee and accepted for presentation at IBU ICASEM 2020.

IBU ICASEM 2020 will be held on-line using the Zoom application (<https://zoom.us>)

The participation is free.

We are looking forward to meeting you virtually at IBU ICASEM 2020, 4-6 June 2020

Respectfully,
IBU ICASEM 2020 Organizing Committee
